**Re: *Tariff to Provide Rate Reductions to Offset a Portion of the 2002 Tax Credit,
TRA Docket No. 02-00135***

Dear Mr. Waddell:

Enclosed for filing in the above-referenced matter are the original and 13 copies of CenturyTel of Ooltewah-Collegedale's Responses to the Tennessee Regulatory Authority's April 10, 2002 Request for Information. Also enclosed is an additional copy of the Responses, which I would appreciate your stamping as "filed," and returning to me by way of our courier.

While the enclosed information is provided pursuant to your request, CenturyTel of Ooltewah-Collegedale respectfully submits that the subject Act is clear that all expenses associated with Part 36/69 should be reduced. CenturyTel of Ooltewah-Collegedale is deeply concerned that it may not recover any money from the Fund. As a result, it requests that the tariff filed on April 5, 2002 and substituted pages to the tariff filed on April 11, 2002, be implemented soon so that it is possible to apply the new tariffed rates in the May bills.

Should you have any questions with respect to this filing, please do not hesitate to contact me at the telephone number listed above.

Very truly yours,

Ross I. Booher
